

TASC Insight Mobile App

Purbrook Park School 'Insight' is now available on your mobile phone!

There is now a Mobile Application (app) available for you to access your Insight account on smartphones, tablets and other mobile devices. You can find the app in the 'App Store' or 'Google Play Store' by searching 'TASC Insight' and installing it onto your device in the normal way.

Once you have installed the app then click on 'settings' tab (below right).
