Enjoy Enrich Excel
Headteacher: Paul Foxley MA

18th November 2021

Dear Parents,

We have all been so impressed by the way our pupils have worked hard this term. They continue to be polite and kind, and their behaviour and attitude to learning has been excellent. We have been reviewing our school curriculum over the last few weeks, and have decided to make some changes, ready for January 2022.

Changes to Enrichment

As part of our Covid-19 recovery, our pupils have enjoyed taking part in a programme of enrichment on four days a week. We want to continue to offer a wide range of enrichment activities, while ensuring that everyone's focus is on high quality learning in the classroom, and excellent standards of achievement.

From January 2022, our enrichment activities will take place on one day a week, on Mondays, from 2.00pm – 3.00pm. This change will enable us to increase the time pupils spend in lessons from fifty minutes to one hour per lesson. We will reissue a new timetable to your child in January. To ensure a balance between academic lessons and extra-curricular activities, teachers will offer a variety of optional after school clubs, starting at 3.00pm, on Tuesday, Wednesday, and Thursday afternoons.
