20th January 2022

Dear Parents,

Face Coverings

As you will have seen in the news, the government has announced that from today, face coverings are no longer recommended in classrooms and teaching spaces for pupils and staff. This recommendation was introduced at the start of term as a temporary measure.

From Thursday 27th January, face coverings are no longer recommended in communal areas for pupils and staff. This decision by the government comes in response to national infection data, showing prevalence of Covid-19 on a downward trajectory. This is good news for pupils and staff in our school community.

Year 11

We have all been impressed by the way our pupils in Year 11 have conducted themselves during their mock exams, which continue until Friday 28th January. We have been able to replicate the experience of the actual summer exams, enabling pupils to focus on their exam preparation and revision, with support from their teachers, when needed.

From Wednesday 26th January, we will be able to welcome all Year 11 pupils back to school full time. This means that all pupils will remain in school at the end of their Physics exam, and attend normal lessons, in between their remaining mock exams. I would like to thank all our pupils and parents for your support during this challenging period for everyone.

If you have any questions or concerns, please do not hesitate to contact the school in the usual way on 02392 370351 or by email at admin@purbrook.hants.sch.uk.

Thank you, as always, for your tremendous ongoing support.

Yours sincerely,

P R Foxley
