<b>Uniform &amp; Equipment</b>	<p><b><i>‘Wear our uniform with pride’.</i></b></p> <p>Purbrook Park has developed a high standard of education and dress. We are rigorous in upholding the school uniform, and it is expected that pupils wear it well and with pride. This includes to and from school, and on school visits and excursions. All pupils must ensure:</p> <ul style="list-style-type: none"><li>✓ Their tie is worn correctly.</li><li>✓ They have their blazer on (unless given permission to take it off).</li><li>✓ Their shirt is tucked in.</li><li>✓ They have the correct skirt/ trousers and plain black shoes</li><li>✓ They are not wearing make-up or jewellery, other than one plain gold or silver stud in the lower earlobe, and a watch. One small nose stud is also permitted.</li><li>✓ Top coats can be worn over blazers only when outside during breaks and moving from lesson to lesson.</li></ul> <p>Make-up, including false nails, nail polish and false eyelashes, are not permitted for any pupil and must be removed before coming to school each day.</p> <p>Pupils should come to lesson fully equipped and ready to learn. Equipment should include their own pens, pencils, pencil crayons, rubber, ruler, calculator, and a suitable bag to carry several A4 books and text books.</p> <p>Please refer to the school website for our full school uniform policy: <a href="https://www.purbrookparkschool.co.uk/page/?title=Uniform&amp;pid=69">https://www.purbrookparkschool.co.uk/page/?title=Uniform&amp;pid=69</a></p> <p><b>Mr Dawe – Director of Behaviour &amp; Attitudes</b></p>

## Dance Live!

On Tuesday, 90 of our pupils headed to Portsmouth Guildhall to compete in our heat of Dance Live! Since January, they have been working intensely on their piece 'Tempting Fate' which is a modern twist on the story of Pandora's box. It was an incredibly difficult heat with some brilliant performances from other schools and colleges. We knew we would have to do something special in order to be in with a chance.

Every single pupil danced their hearts out and told the story perfectly. The judge who gave our feedback loved everything about it. He said, "The complexity and standard of the dance you have just shown is incredible from a group of dancers your age. You have clearly been very well trained".

After a nervous wait, we headed on stage to find out the results. We took away awards for lighting, design and overall FIRST PLACE! Totally deserved and the pupils were buzzing. We head to the finals on 24<sup>th</sup> April 2024 to compete against other winners from across the country.

### Match Reports Year 7 Rugby Festival

On Tuesday a group of Year 7 girls participated in a rugby festival at Havant Rugby Club. The day began with a series of training sessions led by coaches to teach the girls the different skills and fundamentals of contact rugby. The girls were excellent and got stuck in and enjoyed all of the sessions whilst getting to know people from other local schools. After some lunch the girls were ready for some matches. We competed in three matches winning two of them!! The girls worked so hard and showed a huge improvement from the start of the day to the games. Well done girls, it was a great day and you should be really proud of the way you represented the school and yourselves.

### Year 9 Football

On the 7<sup>th</sup> February 2024 the Year 9 football team played in the Hampshire Cup quarter finals against the Mountbatten School. It was a tightly fought game that ended 3-3. Unfortunately, on this occasion the boys lost on penalties. They played a great game and should keep their heads held high. We look forward to next year's Hampshire Cup campaign.

# PERSONAL DEVELOPMENT BULLETIN

SPRING 1

## Character Virtues

Pupils have been exploring and developing the virtues of self discipline, confidence, resilience, determination, kindness and honesty during PDL this half term. We have seen some fantastic assembly presentations, role model pitches and creative work on display.

In a world of secrets and glowing screens,  
Where honesty and kindness seem like distant dreams,  
A teen's story, etched at day,  
Being genuine and kind, not just for display.

In the digital realm where filters reign,  
Let's break through the facade, be true, not fake,  
Honesty's the filter that never goes old,  
More valuable than stories that are bought and sold.

Kindness, my friend, is not a sign of weakness,  
It's a superpower, hidden in uniqueness,  
Swing away the negativity, let's embrace,  
A world where compassion takes the main space.

In a sea of hashtags and viral trends,  
Let's be the change, where authenticity breeds,  
No need for masks, or virtual disguise,  
Just be yourself, let your true self rise.

Our updates can't measure a kind heart,  
Or the honesty that truly sets us apart,  
In a world that's lost with constant chatter,  
Let's be the signal, not the useless clutter.

No need for gossip or online fights,  
Just spread kindness, like city lights,  
A simple smile, a genuine 'Hi',  
Can make this world a better place.

So, dear friends, in this digital zone,  
Let's build connections, not just with your phone,  
Honesty and kindness, let them prevail,  
In this modern life, where emojis tell the tale.

NLGU's role model is...  
Michelle Obama!

We have chosen Michelle Obama as this week's role model as she is a powerful figure because of her sound values and ethics. Michelle Obama is a vocal advocate for women's rights, the Black community, and promoting healthy eating habits, she is determined to be known for more than being the former president's wife.

## Awareness Days and Events

Pupils have also had the chance reflect and learn about topics featured in National Awareness days including a fantastic Holocaust Memorial day assembly led by the tutees of EKCL

# YEAR 10 REVISION WORKSHOPS

Portsmouth University will be coming in on Monday 19th February to run revision workshops with all pupils in year 10. They will focus on 7 key revision techniques in preparation for their mock exams at the end of March.

**Help us plant 1 million trees in Hampshire by 2050!**

The Hampshire Forest Partnership has been set up with the relationship between people and trees in mind. In the modern day where humans have impacted almost all the natural world, trees need us, and we need trees. We need your help to care for our woodlands and to plant more trees. If you would like to plant trees in your local community space or school, then get in touch at [treeplanting@hants.gov.uk](mailto:treeplanting@hants.gov.uk) or visit our website at [www.hants.gov.uk/HampshireForestPartnership](http://www.hants.gov.uk/HampshireForestPartnership).
