Year 7/8 Badminton

On Thursday 7th March 2024 a couple of Year 7 and 8 pupils took part in a badminton tournament at Cowplain School. There was an excellent showcase of ability with lots of long rallies and close games. Year 8 fought well despite some very tough opposition. Year 7 also battled hard coming away with 2 out of 3 games with a win. Well done to all!

Year 7/8 Girls' Football

Well done to our Year 7 and 8 girls on another win this week against Cowplain! Shout out to Larissa Kerens for making an excellent penalty save and keeping us in the lead!

Year 9 Girls' Football

Congratulations to the Year 9 football team who have had an excellent start to this year's league with an impressive win against Cowplain. Well done girls, keep up the hard work for the rest of the season.

Year 7 Girls' Basketball

Well done to the Year 7 girls' basketball team who represented Purbrook in this year's County Cup. The girls played some very tough opponents and only narrowly lost their games. The determination and effort shown throughout was great and we had some excellent baskets. Well done girls.

PE Superstars

The PE department would like to congratulate Ellie Hicks and Esme Gough on competing in the TeamGym Southern qualifiers for the British championships on Saturday. The girls performed fantastically and their team placed first, winning the gold medal. They now get to compete at the British championships in July. A Parent's Guide to Cyberbullying

Many young people who are victims of cyberbullying suffer in silence.

They feel they can't turn to parents or a trusted adult for support as they fear they may get in trouble or have their devices taken away from them. It can carry on all day, all evening and all weekend for the world to see, causing a lot of emotional stress to the victim and their family.

It can very quickly lead to the victim feeling trapped, scared and vulnerable to grooming and blackmail.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.
