Good News Story

Tilly Hutton (10GSWI) has been selected to play for the U18 England Volleyball Team!

Tilly started playing volleyball about 3 years ago. She started training with South Hants' Junior Volleyball Club and regularly plays for the U15 and U16 teams. This season she helped them to secure a place in the U15 National Last 8 Competition, finishing 5th. In 2022, Tilly was selected to play for the U15 South East England Team, and in 2023 she captained the U15 girls' in the National Inter-Regional competition and made it to the finals. In November 2022 she trialed for the England Cadets and was successful. She has been training regularly with the squad over the last 18 months which involves regular journeys to and from the National Volleyball Centre based in Kettering. To further develop her potential, she now trains and plays in the Women's National League Division 1 for Southampton Volleyball Club as their youngest player, which has included matches as far away as Stockport and Liverpool.

Through her hard work and commitment, she has recently been selected to play for the England U18 Volleyball Team in the European Junior qualifiers. This event takes place in Spain between the 12th and 14th April 2024, they play Germany, Spain and Estonia for a place in European Championship finals later this year. Congratulations Tilly!

MERINGUE - 10B - 26.3.24

PLEASE BRING IN THE INGREDIENTS SHOWN BELOW AND A CONTAINER. THIS WILL BE KEPT TO USE ON THE 27.3.24 PRACTICAL.

INGREDIENTS TO MAKE MERINGUE:

1 Egg white
60g caster sugar

METHOD TO MAKE MERINGUE:

Heat oven to 170c/gas 3 and line a large baking tray with parchment paper. Whisk the egg white in a clean bowl using an electric whisk until they reach stiff peaks, then add the sugar in 3 lots, re-whisking to stiff peaks every time. Spoon dollops of the mixture onto the baking parchment, cook in the oven for about 30mins- 1 hour until the meringues are completely hard and come off the paper easily.

10B 27.3.24 -ETON MESS AND STRAWBERRY COULIS

INGREDIENTS YOU WILL NEED TO BRING IN TO LESSON:

250g strawberries
100g caster sugar
225ml double cream **(MUST NOT BE ELMLEA OR ANY OTHER CREAM ALTERNATIVE)**
1/2 tbsp icing sugar
(Meringue you made in Tuesdays lesson.)

Place 200g strawberries into a saucepan with the caster sugar. Set over a medium heat, crushing with the back of a fork until the sugar has dissolved and the strawberries have become saucy. Taste and add a little more sugar if strawberries are particularly sharp. Strain through a sieve, then chill until ready to serve.

In a large bowl whisk the cream with the icing sugar until it just holds its shape. Chop up your remaining strawberries. Roughly crush $\frac{3}{4}$ of the meringues and tip them in with the chopped strawberries and stir, then swirl through the strawberry coulis. Dollop into a bowl then crush the remaining meringues, sprinkling the pieces over the top'

**Message from
Mrs Walsh to
Galileo House**

Dear Galileo families,

As of Easter I will be stepping down as Raising Standards Leader (RSL) of Galileo House for personal reasons. My colleague Mr Frank Gissing will be taking over from Easter and working with Mrs Price our Head of House to support your children.

It has been my great honour and privilege to work with the very best bunch of pupils and staff here who have always impressed me with their Courage, Compassion and Commitment.

I am remaining at the school as a History teacher and continuing working with Mrs Smith on overseeing Personal Development Learning at the school.

Match Reports

Year 7/8 Girls' Football

Another good week for the Year 7/8 girls' football team. We had a great 2-1 win against Park Community and a close, hard-fought 3-2 loss against The Petersfield School, conceding in the final 30 seconds of the game. A special mention to Maddie Sykes for a superb top right finish on the day.

Year 9/10/11 Badminton

A number of Year 9,10,11 pupils played in a badminton tournament at Crookhorn. There were some fantastic rallies and matches with many of the games going the distance. Year 9s went up against some very tough opponents getting some wins and going close in others. A special mention to Harry Simmons and Josh Crowley who fought off the competition to finish joint top of the league. Well done to everyone involved.

Art, Design & Technology News

ADT News -

The coming week will be the last week before Year 7s and 8s rotate to their next creative subject. They've all been working hard creating their speakers, LED lamps and developing their sewing techniques. We've had some great experimentation from art as well! Year 9 3D have been using wire, cardboard and wood to make miniature models. Photography are working on photo shoots and photo analysis and ART have been creating with mixed media or experimenting with colours. Everyone should be proud of themselves and the work they have achieved. Here's a showcase of some of their work...

Learn to Swim

For children of 3 years and up, we offer a fun filled Learn to Swim programme, giving children the right skills to be fit, healthy and safe in the water. Developing the confidence to fly through the water.

Competitive Squads

Starting with our Academy squads (Stage 6+), moving all the way through junior competitive squads to Senior Performance and the National squad. We cater to a wide range of abilities supporting the swimmers to reach their greatest potential, taking them to the top.

Development Squads

Our development pathway is our non-competitive pathway. Providing swimmers with good quality coached training for fitness.
