

KS3 Science Homework Policy

2026/2027

- Homework is set to support learning and recall of scientific content and will be recorded on EduLink.
- Year 7 and Year 8 will receive weekly homework set by their main class teacher on a nominated day.
- Sparx Science will be set each week with the expectation that all tasks are 100% completed by the given deadline.
- On some occasions the following homework tasks may also be set in addition to or replacing Sparx:
 - Revision for an end of unit assessment / cumulative assessment
 - Key word definitions and / or spellings.
 - Research to assist a future lesson
 - Comprehension tasks.
