Attendance Matters: Understanding Persistent Absence

Attendance Matters

We would like to highlight the importance of maintaining high levels of school attendance. Pupils whose attendance falls below 90% are classified as persistently absent.

While 90% may sound high, it actually means a child is missing around half a day of school every week. Over the course of a school year, this adds up to a significant amount of lost learning time, which can affect progress, confidence, and overall achievement.

Being in school regularly supports not only academic success but also friendships, routines, and wellbeing. We are committed to working closely with families to support good attendance and to address any barriers that may be impacting a child's ability to attend school regularly.

If your child's attendance is a concern, we encourage you to contact your child's Tutor or Year Leader so we can offer guidance and support. By working together, we can help ensure every child has the best opportunity to succeed.

Every day in school makes a difference.

**RSE/PSHE
Curriculum**

RSE/PSHE Curriculum Review & Feedback Invite

We believe that a strong partnership between home and school is vital to ensuring our pupils receive a well-rounded, age-appropriate education.

We have recently reviewed our **Relationships and Sex Education (RSE) curriculum** to ensure it continues to support our pupils’ safety, wellbeing, and emotional development while reflecting statutory guidelines. We are now inviting all parents and carers to review these materials and share their valued feedback.

Step 1: View the Curriculum Materials

Please visit our website PSHE Curriculum page

<https://www.purbrookparkschool.co.uk/page/?title=PSHE&pid=715> where you can view the curriculum overview, specific year-group topics, and the coverage of the RSE Statutory topics benchmarked against lessons.

Step 2: Share Your Feedback

We want to ensure every parent has a voice in this process. Once you have reviewed the website materials, please take a few moments to answer our questions by completing this questionnaire. [PSHE Parent Consultation Form – Fill in form](#)

The questionnaire will remain open until Friday 2nd October.

Netball

It was lovely to see our netballers back in action again in this year's local league fixtures. Both of our Year 10 teams (pictured on the front of the newsletter) were up first, playing four games against some tough competitors, including some Year 11 teams. As the afternoon went on, it was great to see the teams finding their rhythm again, with some excellent movement down the court, intercepts and shots being made. A special shout-out to Anna, Flo and Charlotte for receiving the 'Best Play' nominations from the opposition teams.

It was also brilliant to see nearly 60 of our pupils at this week's netball club! If you are interested, please come along and have a go, no matter whether you have played before or not. There will be a range of activities on offer. We look forward to seeing you there on Tuesday!

NEW STAFF AT PPS

Welcome to the following new members of staff who have joined us this term:

Hello! I am Miss Beames and I am the new cover supervisor at Purbrook Park. Some pupils may already recognise me, as I completed my teacher training here last year, teaching Art, Textiles, and Photography.

Outside of school, I enjoy painting, reading, and all things creative. I also love visiting historical buildings and landmarks as well as spending time with friends and family over a good coffee.

I am excited to get to know even more pupils this year whilst providing cover for lessons!

Miss Beames – Cover Supervisor

Hola, I'm Miss Thiara and I'm a new Spanish teacher this year at Purbrook. I love languages, especially Spanish and really enjoy sharing this love and my knowledge with others.

In my spare time and in the holidays, I love travelling and exploring new places, being outdoors, swimming and scrapbooking.

I can't wait to meet and get to know you all!

Miss Thiara – Teacher of Spanish

Hi, I'm Mr Blachford and I teach maths at Purbrook Park. My main passion is Portsmouth football club (up the blues) home and away with my 11 year old son.

In my youth I was heavily into martial arts, pretty good on a horse and have been known to survive the odd gym session. I have resting stern face; say 'hi', and I might smile.
