

EDUlink - Joining a Club (Pupils and Parents)

To view available clubs, pupils or their parents need to click on the [Clubs icon](#) in Edulink One.

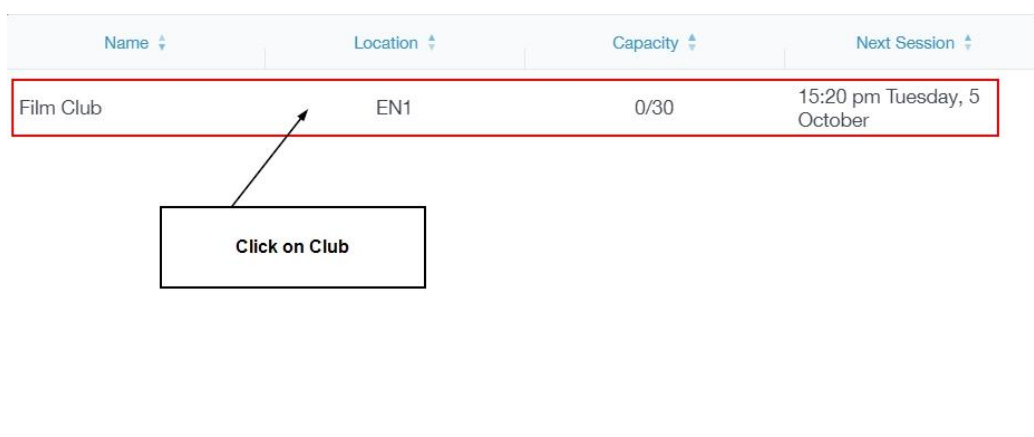

This is located in the **'More'** section of Edulink One.

There are two tabs on the Clubs screen, one labelled **My Clubs** for clubs pupil's or parents have already joined, and **All Clubs** which is a detailed list of every school club that is open to the learner.

The pupil or parent must select the club they wish to join by clicking on it.

In the **Club Details** window, you will find information about the club, the dates and times the club is taking place and, if allowed, you can see a green **Join Club** button at the bottom of the window.

To join a club, the pupil or parent must click the **Join Club** button.

JOIN CLUB

Note that not all clubs are 'open'. Some teachers may require a pupil to join a club, such as revision sessions, in which case they will add the pupil manually and it will automatically appear in your clubs.

A green 'success' message appears when you have successfully joined the club. It will now appear in the **My Clubs** tab.
