Dear Mr Paul Foxley

Thank you for joining us in celebrating the Chairman's Year of Music Schools' Award Scheme at Thornden Hall. Keith Chapman MBE was clearly blown away by the talent on show and it was a fitting end to a massive year of youth music in Hampshire.

Your *Straight Outta Purbrook* rock band pupils were a great example of rock music occurring in Hampshire schools. They conducted themselves with maturity during the evening and really invested themselves in the performance and being 'in the moment'. We're delighted to have had them on the programme.

Thank you again for all your efforts to get your pupils to the event and supporting their performance to celebrate the Schools' Award Scheme year.

We wish you, your staff and pupils a fantastic musical year,

Yours sincerely

Jill Larner, Head of Service

Director of Children's Services
